G. **DISTRIBUTIONS OF THE REMAINDER UPON THE BENEFICIARY'S DEATH (REQUIRED)**

(1) **State's Reimbursement Claim and Trust Remainder Share (REQUIRED)**

Federal law requires that all unspent amounts in the Beneficiary's Sub-Account at the time of the Beneficiary's death must be used to reimburse the State of Texas and other state(s) for medical services received ("Claims for Medicaid Reimbursement") as determined by the state(s), **unless amounts are retained by the Trust.**

The amount retained by the Trust from a Sub-Account ("Remainder Share") will be used at the Manager's discretion for the benefit of persons who are disabled as defined in 42 U.S.C. § 1382c(a)(3).

If funds remain in the Sub-Account at the time of the Beneficiary's passing, The Arc of Texas Master Pooled Trust MAY retain funds as outlined below.

To the extent that the balance in the Sub-Account at the time of the Beneficiaries passing:

- (a) **DOES NOT EXCEED** (is less than) the Claims for Medicaid Reimbursement, no funds will be available to pay the Remainder Beneficiaries. The Trust shall retain ALL remaining funds for the Remainder Share. (EXAMPLE: \$100,000 is owed to the State(s) but only \$10,000 is in the Trust Sub-Account, the Trust will retain the \$10,000); OR
- (b) **EXCEEDS** (is more than) the Claims for Medicaid Reimbursement (EXAMPLE: \$10,000 is owed to the state(s) and \$100,000 is in the Trust Sub-Account), then the Sub-Account shall be distributed as follows:

CHOOSE ONE (REQUIRED)

1. Grantor determines the percentage to be retained by the Trust before payment of the Claims for Medicaid Reimbursement . Fill in the percentage you wish to leave to the Trust below.

_____ % (**1-100%**) is retained by the Trust for the Remainder Share
THEN the Claims for Medicaid Reimbursement are satisfied.
THEN any excess funds remaining in the Sub-Account are distributed to the Remainder Beneficiaries as outlined in Section G(2).

OR

2. Grantor determines that NO funds should be retained by the Trust before payment of the Claims for Medicaid Reimbursement.

None (0%) shall be retained by the Trust for the Remainder Share.
THEN the Claims for Medicaid Reimbursement are satisfied.
THEN any excess funds remaining in the Sub-Account are distributed to the Remainder Beneficiaries as outlined in Section G(2).

- (c) If no selection is made in the box directly above (Section G(1)(b)), all funds will be retained by the Trust for the Remainder Share. If no Remainder Beneficiaries are listed below in G(2), all funds will be retained by the Trust for the Remainder Share.

(2) Final Remainder Beneficiaries (REQUIRED)

The Grantor is required to designate Remainder Beneficiaries in Section G(2) (this section). Remainder Beneficiaries are the people or organizations listed below. Remainder Beneficiaries MAY receive funds if any are available after the Remainder Share and Claims for Medicaid Reimbursement have been satisfied. If funds are available, the Remainder Beneficiaries will receive their portion as outlined below, in the percentages selected by the Grantor. *PLEASE NOTE: if the Grantor is the Beneficiary's Guardian, Remainder Beneficiaries will be determined by the Texas Estates Code.*

If any Remainder Beneficiary is deceased at the time of distribution, the funds that would have been distributed to that Beneficiary will instead be distributed to his or her descendants, per stirpes. If a Remainder Beneficiary does not have descendants, then his or her share shall lapse and will be divided among the remaining Remainder Beneficiaries. If at the time of distribution all Remainder Beneficiaries are deceased and have no descendants, the Trust will retain the remaining funds in the Remainder Share. The percentages must add up to one hundred percent (100%).

Select if 100% of the funds are left to the Remainder Share. No Remainder Beneficiaries are required.

Remainder Beneficiaries are as listed below:
